

WEST BATHURST PRESCHOOL

NEWSLETTER

November 2020

FROM THE DIRECTOR

Dear families

It feels like we were just getting back into the swing of things after Covid when Term 4 was suddenly upon us!

We have an exciting term planned. The children will begin practicing their Christmas Concert songs, and we will present it differently this year. Join us live as we stream to our Facebook page.

For those families that have children off to primary school next year, you will have received a Transition to School Statement. These statements highlight your child's strengths and interests and provide useful information for their kindergarten teacher. If you haven't already done so, please complete Section D and return the statement to preschool. We will then send each school the statements.

I would like to thank all of the room leaders who have put in time and effort to write the Transition to School Statements. It is a big task and I applaud their efforts.

I am always interested to hear family feedback, so please don't hesitate to contact me by email with

any questions or feedback:

director@westbathurstpreschool.nsw.edu.au

Regards

Vanessa Miller

Director

COMMITTEE CORNER

General Meeting

Tuesday 17th November

2020 @ 5.30pm

Meetings are held at preschool- 7 Wark

Parade Bathurst

Everyone is welcome.

Childcare provided.

All families are encouraged to attend.

HATS AND SUNSCREEN

As the weather warms up, it is important to make sure you send a hat for your child each day that they are at preschool.

Please remember to apply sunscreen to your child on arrival at preschool and tick the box next to their name on the sign in sheet to say that you have done so. Educators will reapply sunscreen again, later in the day.

If you supply your own sunscreen for your child to preschool, could you please check the expiry date of the sunscreen and make sure that we have adequate supplies (clearly labelled with your child's name) and hand to your child's teacher.

An easy way to stay up to date is to 'Like' the preschool's

Facebook page. We regularly post reminders, important dates and other preschool events.

Fundraising fun

Thank you for your support!

Our pie drive was a huge success! 198 pies in your and your friends' tummies meant \$981 raised for the preschool. These funds will be used to purchase new learning resources. We hope you enjoyed your pies, and we would like to thank you all for your support, it was wonderful to see the enthusiasm that was displayed in supporting our community.

Call for raffle prize donations from businesses

Do you own a business? Could your business help our preschool by donating a prize for our upcoming

Christmas raffle? We would love to hear from you! Please talk to Emma in the front office or contact Cecile (04 90 913 759) to donate a prize. Many thanks for your support!

Blender for preschool

Thank you to the families who donated blenders for preschool. The preschool was lucky to receive 2 blenders. The children will enjoy the yummy smoothies we can make with them!
